12 January, 2016

Steve Robinson Glass has won “Best Of Customer Service on [Houzz®](#), the leading platform for home renovation and design. The contemporary glass art and design studio was chosen by the more than 35 million monthly unique users that comprise the Houzz community from among more than one million active home building, renovating and design industry professionals.

The Best Of Houzz is awarded annually in three categories: Design, Customer Service and Photography. Customer Service honours are based on several factors, including the number and quality of client reviews a professional received in 2015. A “Best Of Houzz 2016” badge will appear on winners’ Houzz profiles, as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“We’re delighted to win this award. We genuinely strive to provide the best level of service possible to our customers, who are all highly valued. We believe that the service we offer as a company is just as important as the products themselves” said Hannah Robinson at Steve Robinson Glass.

“Anyone building, renovating or decorating looks to Houzz for the most talented and service-oriented professionals” said Andrew Small, Managing Director of Houzz UK. “We’re so pleased to recognise Steve Robinson Glass, voted one of our “Best Of Houzz” professionals by our enormous community of homeowners and design enthusiasts actively renovating and decorating their homes.”
